## FEATURED CRIME PREVENTION:

### THEFT FROM MOTOR VEHICLE

Local crime analysis has show that a large portion of thefts, from motor vehicles, occurred because items had been left on display or the vehicle was left unlocked.

Spread the word, these offences are preventable:

**VEHICLE CRIME  
PREVENTION!**

- ✓ LOCK YOUR VEHICLE
- ✓ REMOVE ALL PROPERTY
- ✓ PARK IN A WELL-LIT  
AREA

Plain clothes and uniformed police officers are patrolling in this area.

For further information contact your local Safer Neighbourhoods Team on [www.met.police.uk/saferneighbourhoods](http://www.met.police.uk/saferneighbourhoods).

## DISTRACTION CARD THEFT:

Bank branches on KINGSBURY HIGH ROAD and QUEENSBURY have informed us that the cash points are targeted daily. Groups will attempt to distract you; look over your shoulder for the pin and steal the card.

In many cases, cash is withdrawn from your account in minutes:

## PREVENTION:

- Use the Cash Machines inside where possible
- Shield your pin and be aware of your surroundings
- If anyone approaches you, put your card away, leave the area and contact the police on 101.
- Cancel your card as soon as you realize something is wrong

Keep your  
cards *safe*

## GOOD NEWS

1. Queensbury SNT have successfully closed down a brothel in BERKELEY ROAD, KINGSBURY which has been blighting the quality of life for the local residents

Working with a local resident and the private landlord, we have removed a tenant from the property, closing the brothel within two weeks of the initial visit. A subsequent investigation is ongoing and where possible charges will be brought against those who were in charge.

Feedback from an affected neighbour: *"...landlord is now looking for new tenants. I would like to take this opportunity to thank you and your team for the brilliant job you have done. Honestly I am ever so grateful. "*

2. CCTV is now active in the WARREN WAY ESTATE and SCOTT ROAD HA8. Anti-social behavior will be targeted and CCTV will be used to identify suspects.
